Public Service Info PO Box 100, 00054 STATE TREASURY tel: +358 (0)295 50 2000
Purpose of the information system
Public Service Info is a website providing advice and guidance for users of public services. The website describes the service and refers users to other websites where they may find information on public services, forms to print out and e-transaction portals. There is an online form for sending questions or feedback to Public Service Info.
